INTRODUCTION OF CONSULTANTS FOR DETAILED ARCHITECTURAL DESIGN, ESIA, AND CONSTRUCTION SUPERVISION OF 13 MARKETS FOR SITE VISITS UNDER THE RURAL DEVELOPMENT AND FOOD SECURITY (RUDSEC) PROJECT IN NORTHERN UGANDA

As part of the ongoing implementation of the Rural Development and Food Security (RUDSEC) Project, funded by KfW and the Government of Uganda, we are now commencing the Procurement of Consultancy Services for the Detailed Architectural Design, Environmental Social Impact Assessments (ESIA), and Construction Supervision of 13 Markets. This phase is critical to our goal of improving Rural Infrastructure and boosting smallholder farmer incomes across the Acholi, Lango, and Teso Sub-Regions.

This letter serves to formally introduce the Consultant's representative(s) from _____ who will be visiting your District to conduct Site Visit. These visits are vital for the consultants to understand the local terrain and social context required to develop quality designs and Environmental Impact Assessments for the proposed Market Infrastructure.

We kindly request your office to grant the Consultants access to the designated sites and to facilitate their engagement with the relevant District technical officers. Your support in ensuring they have the necessary local cooperation will greatly appreciated and will be instrumental in moving the RUDSEC Project

AM.

toward a successful construction phase.

Ben Kumumanya

Permanent Secretary
